

ATMOS FEDERAL SOLUTIONS LLC

Federal Facility & Grounds Services

atmosfed.com · anthony@atmosfed.com · (904) 400-0873 · Pinellas Park, FL

COMPANY OVERVIEW

Atmos Federal Solutions LLC is a Florida-based small business providing grounds maintenance, landscaping, and janitorial services to federal facilities. We deliver essential, recurring facility services through a vetted network of qualified local crews, with hands-on coordination, quality assurance, and compliance oversight on every contract.

Structured from day one for federal work — SAM.gov registered, SCA-compliant, and audit-ready — we pair big-contractor discipline with small-business responsiveness and pricing.

DIFFERENTIATORS

- **Single accountable point of contact** managing each contract end to end
- **Vetted, insured local crews** mobilized per site — with documented value-add (scheduling, site QA, compliance), never a pass-through
- **Federal-compliance-first:** SAM-verified, SCA wage compliance, clean DCAA-oriented books
- **Right-sized and responsive** — competitive on the task orders larger primes overlook
- **Minority-owned small business**
